Compliance with Terms and Conditions of Use

A contract exists between RIPM PUBLICATIONS and all users of RIPM Databases that governs the manner in which its CONTENT may and may not be used.

The statement above appears once per session. Your acceptance of this statement indicates that you are familiar with the Terms and Conditions of Use stated below and that you will comply fully with them.

RIPM Databases (“RIPM DATABASES”) consist of a database (“CONTENT” as defined herein) and software and other electronic tools (“Access Software”) designed for an AUTHORIZED USER (as defined herein) to access, use, reproduce and display such CONTENT for the limited purposes stated in these Terms and Conditions of Use. An AUTHORIZED USER is an employee, currently enrolled student, affiliated or visiting researcher, walk-in patron, or other person affiliated with an institution validly licensed by RIPM PUBLICATIONS (“LICENSEE”) and permitted to use LICENSEE’s facilities and authorized by LICENSEE to access RIPM DATABASES. Nothing in these Terms and Conditions of Use should be construed as RIPM PUBLICATIONS authorizing you to incorporate CONTENT into electronic or print materials that are for purchase or are disseminated for commercial purposes (such as by a scholarly or commercial press), to make any commercial use of RIPM DATABASES or CONTENT therein, or to make any use, display, performance, reproduction, or distribution of RIPM DATABASES or CONTENT therein not expressly authorized in these Terms and Conditions of Use. You consent to the personal jurisdiction of such courts over you and waive and agree not to assert any objection to proceedings in such courts unless your actions are on behalf of an institution whose license Terms and Conditions with RIPM

PUBLICATIONS ("Institutional License") subjects it to the laws and/or jurisdiction of other than Maryland and/or the United States for the specific matter at issue and are consistent with such Institutional License.

B. If any provision or provisions of these Terms and Conditions of Use are held to be invalid, illegal, unenforceable, or in conflict with the law of any jurisdiction, the validity, legality, and enforceability of the remaining provisions shall not be in any way affected or impaired thereby. A waiver of any breach of these Terms and Conditions of Use shall not be deemed a waiver of other breaches of these Terms and Conditions of Use.

C. These Terms and Conditions of Use set forth the entire agreement between you and RIPM PUBLICATIONS.

D. RIPM PUBLICATIONS shall use reasonable efforts to provide continuous availability of RIPM DATABASES subject to periodic unavailability due to maintenance of the server(s), the installation or testing of software, the loading of journals, and downtime related to equipment or services outside the control of RIPM PUBLICATIONS, including public or private telecommunications services or Internet nodes or facilities ("Maintenance Downtime").
